

## NAMADI MANOJA

Metallurgical Engineering &  
Materials Science  
Department Council

Yearbook  
2020

**Srimon Narayanasamy P :** Hello Manoj, you are something different from other girls. That will take you to the good heart humans like us in your future. In every family girls child only change the normal family into beautiful family. Yes, you did it for our steel technology batch (beautiful family). Naaku manjiga telugu nerpichina guru lo nuvvu kooda okkati. Inka first day nee kannulo choosina bayam gurthunthi. Don,t fear to face anyone or any situation at first time. Manani choosi oppsite lo unnavalu bayapadali. Happy to meet you tamudu. all the best for your future.
