Hope to work together sometimes in future for a greater goal. :)

**Mrunal Chavan :** Yo Tumul!! Kitna accha likhte nd bolte ho aap. 😊 I am glad ki SARC ki wajah se I met an amazing person like u. ♥ Final year main apni almost sari team graduate ho chuki thi, it felt so good jab aap kabhi infi corridor main mil jate the. Placement time pe bhi it felt good to look at nd talk with some familiar faces. Bohot sad laga tha after hearing abt ur PhD pains but I hope ki this new job will take u closer to where u wanna b. 😊 Machate rehna aap life mai hamesha. All d very best for everything nd do stay in touch. ♥♥

**Sarthak Nijhawan :** Tumul Sir! It's just been a year since I've known you, & still, we always seem to work together with the same energy & enthusiasm. Still recall the first time I met the 3 of you in the OAT- when it was still intact :P. I've always cherished & appreciated how helpful, warm & cooperative u guys've been during all our interactions. We've done so much together, which is, I'm sure, a huge upgrade to what our bodies have shared for all these years :D & would definitely lead to more collaboration in the years to come. Here's to racing up & down, to & from the MB (somethings are still pending I'm afraid :P) & all those great conversations we'd. Aur koi poem likho to sunana mat bhulna :P.

**Rajan Shukla :** Tumul Bhai! I think people around us enjoyed debates between us. I too enjoyed a lot. Infact, your ultraleft perception turned me extreme right than I was. Hope we will have debates in future too. Have a wonderful life ahead.
