**Ahsan Aslam :** Deepu...I am and will always be grateful that you happened to me.All the assignments,tutorial and late night exam discussions(IYKWIM) with Rahul,Mahendar and Amar..life would have been a nightmare without you.Within that shy guy,who always says he has got work all the while listening to the saddest love songs,is a kind hearted,determined person who I wished others got to know a lot more.Having you on any team is my greatest confidence and you have always rose to the occasion.700 characters ain't enough to describe all the adventures.And you just wrote two words,that too in Hindi,after all the English lessons.This is what I like about you \*\*.
