Arpit Kedia : Sabse level-headed and calm banda jo maine insti mein dekha, kabhi gussa nahi dekha teko. Tere hi enthu se treats and trips ki planning shuru hoti thi. Pure wing ke taraf se MM khelne aajata, bhale hi 1-2 baar teko kheech ke laana pada ho xD. Sochta hu freshie year mein apan friends kyu nahi the! Itne distractions ke baad bhi placement sem mein itna focus aur willpower dekha hai tera. I will never forget the calmness with which you handled everything in these 4 years, including our crazy bunch! And 250 ke liye shukriya, its now an everyday thing in my family :D

Animesh Singh : Progressed from KD Pathak to Kriti Sannon in the insti years. Elec ka black horse joh placement mein full speed se bhaga with dedication and commitment. Aur kya hi bolun. Trip planner, spending tracker, calculation wizard and above all "the most intelligent Penguin" xD... Ek baat toh achi hui ki tu kamse kam ladkiyon se baat karna seekh gaya nahi toh awaaj sunte hi kaap jata tha jaise horror move ho xD xD

Shubhankar Mihir Seth : Aman sir, aapse college mein aake toh zyada baat nahi hui, par ek note toh apne Kota ke time ke liye banta hai. Meri stupidity se naaraaz naa hone ke liye or itni shanti aur patience se har doubt solve karne ke liye shukriya. Saath mein Rs 10 mein 3 movies dekhna, aur hostel warden se irritate hone humesha hi yaad rahega. IIT mein bhi jab bhi mile, aap humesha haste muskuraate dikhe, or madad ke liye taiyar. Umeed hai humesha aisa hi rahega.

Vinayak Gupta : tere pe story likhni ho to 700 words to kuch bhi nahi hai. ek chiz jo 4 saalon main nahi badli vo tha tera raat tk jagna aur jb mujhe neend na aye to tere pas hi ata tha. MI ke baad jo tere main change dekha tha yr... sapnon main bhi na soch paye koi. jo bnda camera na khole vo kya pics lene laga kaafi interesting point tha. baaki teri stories ne to RWT main chaar chaand laga diye yar, tu nahi hota to humara guzara kaise hota. Anyways all done now mast machaenge apan bangalore main and definitely train na bhi aye na to apan station leke pahunch jaenge train ke pas :p

Ayush Prajapati : Bhai tujh jaisa koi aur na mila, isliye tujhse hi dobara mil liya :). 9th se jaante hai par college ki to baat hi kuch aur hai. Tere saath kaata lukkha sabse jaada miss karunga, pure mindless fun. Tere cards and monopoly ke junoon ne tujhe hi subah 6 baje meri jameen pe sula diya. Pure insti me raat ko ice cream and snacks runs pe nikalne se leke raat ko 2 baje movie shuru krne ke liye hamesha taiyyar rehta hai ye banda. Par talented itna ki tere bina na to 1st Year ki ED hoti, na last Year ke courses. Itna jaada machaya ki mujhe runner banne ka mauka bhi nahi mila. 2 frankie aur hyderabad ki trip splitwise pe note karle bhai, meri treat hai. Jald milte hai.

Anupradiksha Rajan : Yo Single, Mysore wala trip mast tha. Even though POC ke prof course ko grade na kare to bhi mujhe bura nahi lagega kyunki apun ne infi masti kiya hai lab ke naam pe. Tumlog sablog kafi mast the yaar, hope tumlog sabse pehle hi mili hoti, although mujhe sabka naam bhi nahi yaad (Isliye bas tere yearbook me likh rahi) Good Luck!

Gaurav Verma : Are Aman bro !! Bhai keyless piano best project tha , prof apni bhavna ko samjata to 10 de deta . Baki H2 me cricket khelne me maja aata tha yrr bahut. Baki to phir kota best he. Jaldi milenge lockdown ke bad

Mahendra Singh : aakhiri 2 mahine gussa nhi hota to puchna tha itna calm kaise rh leta h but corona ke time 3rd wing se phle 4th wing vacate hua jo ki renovation ki meeting ke baad surprising tha 😂. Diya aur baati se money heist tk aana alg level success thi. CTF me tera giant bn jaana aur goa trip ki scooty riding , conversation bhahubhali se start krna hmesha yaad rhegi . Tuj jaisa card deliver krne waala shayad hi koi mile but mushkaan hmesha deliver krte rhna . Radhe Radhe.....

Atri Dutta : Aman bhaiii, poker aur movie night me infi maze aaye. Maggu to main hun hi, but tu to Qualcomm ka talent hunt me macha diya lol. Mere cream wale pyare crackers kaafi thoose tumne, treat de dena kabhi to usi naam pe. Keep in touch!

Hemant Sharma : Bhai aman kitna padhaya tune. 11 mein, phir ee 101, second year to poora tere bharose nikala maine aur rushab ne..xD. Bhai padhate reh sabko, sikhate reh gareebo ko. Bhai chap diya tune.

Atharv Nandapurkar : Aman aka group ke Papa. Bhai, plz mujhe sikhade itna sab kaise sun leta hai tu bina gussa kie. Mujhe toh kabhi kabhi bura lag jata hai, kitna chidaya hai tujhe anjane mein. But sorry, phirbhi chidaenge hum :p Haan, maine dekha hai tera gussa, n ab tak dar hai tera, I hope tu kisi aur pe kabhi gussa nhi karega. Aise hi calm, helpful, down to earth rehna. But BC, tu kaafi chize apne andar hi rakhta hai, share kia kr (I am always there, krdena kabhi bhi approach kuch bhi lage to). Haan yaar Bangalore mein hai posting meri, distance se nhi padega pharak but mujhe FOMO toh haina -_- Placements prep saath mein kia hai apnne, infi phaida hua. Interview ke pahle quora padhne lagaya tune, thanks.

Bahut down to earth banda hai ye and bahut hee zyada helpful. During my placements tune bahut zyada help kee and was my constant support. Mujhe confidence nahi tha ke mera Day1 ho jayega but tu hee tha jisne confidence dilaya and helped me through it. Thanks for everything. Apne se pehle apne sabhi doston ka sochta tha ye banda and sab plans yahi banata tha. Knowing you is a blessing for me. I remember jab U me harinder and atharv and vedarth atharv ke room pr uske speakers pr full volume pr youtube chalte the and bang tables.
