Patel Harsh: Aditiii..!♥ Miss Victory pose! Kaha log apne ko chidate the and kaha aaj itna kam interaction hota h.. Freshie year me same division and tut me the.. though I remember mix cricket ke liye puchhna as our first interaction. Pehle 3 semester kaafi masti and maze kiye tere sath.. vo outings, movies, walks, meals, lift me milna() etc sab yaad rahega. Also vo temple wala coincidence to epic tha! kabhi free ho tab I would really recommend you to read our previous chats just to realise how good friends we were used to be. It would be great if we can delete the lag that came in between and resume our friendship from those chapters! Be as cheerful as you are, keep smiling and Be in touch-

Sanket Agrawal: Hello Little monster:) I have seen you grow and mature a lot from your coordie tenure to your CG tenure to being a drama queen and handling me when I was at my lowest. You are one of the few people in team who truly knows about my tenure and my feelings towards different things and people. I hope our bond always stays this strong ( not more, coz I won't be able to handle you then: P). Let's have some more night walks when we are back in Mumbai. PS: revealing to the world who someone is?: P

Yearbook 2020 **Shruti Iwanati**: 4 saal se constant bandi rahi hai meri tu. Pata hi apan kaha phle mile they and kab etni dosti hogyi. Late night talks to late night clubs kitni sari memories hai apni. H12 ki sadak par ghost stories. H15 ki 7th floor par ek dusre ko gyaan dena jo ultimately maine nahi mani :p. Acads ke liye rona, vogue ko machana and tere constant problems ka solution dena and tujhse kaand karwana bada yaad ayega. Ek dusre ka almost wardrobe pehen chuka hai. Har cheez mein etna effort deti hu uske k liye respect hai. Baaki toh apan milte hi rahenge aage bhi and humesha. Love you bro will miss you so much

**Siddham Jain :** Hello my second best saali 😂. Mast cool bandi he be tu. Tujhe tease karne me alag maza aata he. During these years I got very comfortable talking to you. Sochna nhi padhta tease karne se pehle tujhe ab 😂, pata he ki dil pe nhi legi mera. Tere jitne nakhre Kisi ke nhi he. Sudhar jaa thoda sa 👄. Pata nhi Tu meri team me nhi hoti, toh puneet kitni baar band baja deti mera 😀. Non drunk Aditi is the chillest person ever 😂. Touch me rehna.

Rishika Gupta: You were supposed to be my Prom ditch partner who ditched me in the end <sup>3</sup> Later I came to know that you had ordered 5 dresses for the day <sup>3</sup> It was so much fun having you in the wing and cheering everyone up. That day my first Poker game was so much fun. You were so terrified about the last bet. <sup>3</sup> I was shit scared seeing you agonize over makeup fails so badly. Hope you enjoy your rest of the stay too. Stay the same chirpy, soulful energy packet you are, always! ♥

Yearbook 2020 Animesh Singhal: Teri stories ka life long subscription mere liye best grad gift hai. This is one of my most precious friendships in insti. From those deadly expressions to being a total sweetheart, our friendship grew! 4AM chai trips, H3 comp room nighouts, work session in H3, favorite trip & outing companion, crisis(AU, PK, CB). Even though we lived in a corner in summers, your presence made things fun. There's a reason that we 3 are so close. You were the glue bonding us. Tere bina MI'19 black and white tha. Bohot miss kiya tha maine tujhe poore sem

Pranil Jain: Prateek kuhaad ko live sunwa diya tune toh ab zindagi bhar tera dhyaan toh rakhna padega <3 Tenure ke baad tera fan ho gaya yar Aditi main. Kya evolve kiya hai. I really like the way you have accepted yourself. Jolly, fun loving, caring, hardworking and kaafi kuch. Thode se time main kya mast bonding ho gai hai apni. You really matter a lot to me. Stay same, Mumbai aata hoon toh milte hain fatafat. And tu chinta mat kar, ladka dhoondta hoon tere liye mast sa:p

Akshay Bhamare: Yo Aditi!! It was fun hanging out with you. Sayali would talk so much about you during your sem-ex. The way you were concerned about your friends during placements constantly asking for everyone's status shows how much you care about your close friends. Always found you cheerful, positive, friendly. All the best for placements. Wish you load of happiness and joy ♥♥♥ Stay in touch! PS: Bring a cool keychain for me too next time XD
