Pata nhi phir kab mile but will be in touch and mai pareshan krne k liye hu hi.

Shivam Sood: Hey Namita, Knowing you has been great. I won't be able to thank you for all the time you spent clearing my little queries, so it's better I don't try. The day has come when you have to go out there and share your excellence with the world. I know you will do big things someday, but please don't forget me;) I hope we meet soon.
